

### Sizing Procedure

- Write name on line below
- Find wrist crease at hand/wrist area
- Mark inside of wrist at wrist crease
- Place bare hand (fingers together) onto sizing grid
- Align mark, wrist crease and hand base on black line
- Finger lengths help determine hand size
- Mark hand size in circle and again under name

**Shelby**  
 fire glove sizes and  
 this sizing grid are  
 determined by the  
 hand dimensions given in  
 the NFPA 1971 Standard.
